

Ventegra® empowers ACOs to become their own PBM through a fully transparent and integrated solution.

Transparency. The Benefit is Clear.

Ventegra is the next generation PBM for the next generation ACO

- We empower ACOs to become their own PBM
- We pass along 100 percent of all rebates and discounts
- We contractually guarantee full transparency around true costs
- We can integrate pharmacy and medical data through our claims system
- We offer formularies that support choice, affordability and quality care
- We support compliance with 340B and non-340B pharmacy programs within a single, integrated processing system

Ventegra empowers Accountable Care Organizations to create and control their own pharmacy benefit program through our extensive suite of programs including pharmaceutical rebates and discounts, pharmacy network, claims processing, formulary management, customer support, and much more. Our transparency and integrity are the foundation of a more effective business model that lowers costs, simplifies operations, and enhances care – fundamental to the success of any ACO.
